King Charles 1625-1649

Most people think that the murder of King Nicholas of Russia in 1918 was the first Jewish excursion into regicide but, in fact, England's long descent to satanist shithole began almost 400 years ago when Organized Jewry had King Charles I, left, beheaded. We could add King Louis XVI's murder in 1793 to this list.

**These four revolutions were steps leading to the Jew World Order: The English Revolution (1650); The American Revolution (1776); the French Revolution (1789) and the Russian Revolution (1917.)**

**(Excerpt by henrymakow.com)**

**JEWISH BANKERS FROM AMSTERDAM** led by the Jewish financier and army contractor of Cromwell's New Model Army, Fernandez Carvajal and assisted by Portuguese Ambassador De Souza, a Marano (secret Jew), saw an opportunity to exploit in the civil unrest led by Oliver Cromwell in 1643.

A stable Christian society of ancient traditions binding the Monarchy, Church, State, nobles and people into one solemn bond was disrupted by Calvin's Protestant uprising. The Jews of Amsterdam exploited this civil unrest and made their move. They contacted Oliver Cromwell in a series of letters:

**Cromwell To Ebenezer Pratt of the Mulheim Synagogue in Amsterdam, 16th June 1647:**

— "In return for financial support will advocate admission of Jews to England: This however impossible while Charles living. Charles cannot be executed without trial, adequate grounds for which do not at present exist. Therefore advise that Charles be assassinated, but will have nothing to do with arrangements for procuring an assassin, though willing to help in his escape." —

**To Oliver Cromwell From Ebenezer Pratt, 12th July 1647:**

— "Will grant financial aid as soon as Charles removed and Jews admitted. Assassination too dangerous. Charles shall be given opportunity to escape: His recapture will make trial and execution possible. The support will be liberal, but useless to discuss terms until trial commences." —

Cromwell had carried out the orders of the Jewish financiers and beheaded, (yes, Cromwell and his Jewish sponsors must face Christ!), King Charles I on January 30 1649.

Beginning in 1655, Cromwell, through his alliance with the Jewish bankers of Amsterdam and specifically with

### JEWS GET THEIR CENTRAL BANK OF ENGLAND

WILLIAM STADHOLDER, a Dutch army careerist, was a handsome chap with money problems. The Jews saw another opportunity and through their influence arranged for William's elevation to Captain General of the Dutch Forces. The next step up the ladder for William was his elevation by the Jews to the aristocratic title of William, Prince of Orange.

The Jews then arranged a meeting between William and Mary, the eldest daughter of the Duke of York. The Duke was only one place removed from becoming King of England. In 1677 Princess Mary of England married William Prince of Orange.

To place William upon the throne of England it was necessary to get rid of both Charles II and the Duke of York who was slated to become James II of the Stuarts. It is important to note that none of the Stuarts would grant a charter for an English national bank. That is why murder, civil war, and religious conflicts plagued their reigns by the Jewish bankers.

In 1685, King Charles II died and the Duke of York became King James II of England.

In 1688 the Jews ordered William Prince of Orange to land in England at Torbay. Because of an ongoing Campaign of L'Infamie against King James II contrived by the Jews, he abdicated and fled to France. William of Orange and Mary were proclaimed King and Queen of England.

The new King William III soon got England involved in costly wars against Catholic France which put England deep into debt. Here was the Jewish bankers' chance to collect. So King William, under orders from the Elders of Zion in Amsterdam, persuaded the British Treasury to borrow 1.25 million pounds sterling from the Jewish bankers who had helped him to the throne.

Since the state's debts had risen dramatically, the government had no choice but to accept. But there were conditions attached: The names of the lenders were to be kept secret and that they be granted a Charter to establish a Central Bank of England. Parliament accepted and the Jewish bankers sunk their tentacles into Great Britain.

Funny I can't remember learning this in my history classes at school.... unless I was capping off that day. "The Usual Suspects"... you've gotta to luv "em. Not!!!!

Indeed Steve. I however feel, that while the "big guys", use their ethnicity to form societies and groups, they also use the rest of the Jewish people as a shield to hide behind. I personally don't know a single Jewish person, and they, ie the big bankers, "doesn't that rhyme with something", are a real problem, but will use the antisemitism card any time they feel the need. I don't have a problem with ethnicity, just with the actions of certain people.

I don't doubt there are good Jewish people Ian, some of them have revealed great information about the "Jewish" plot to enslave us but when you look at how the Jews relish the suffering of the real Semitic people in Palestine and their treatment all Palestinians including children it's hard to think well of them,

Yes Ian, many of those portrayed as heroes in our modern history books were in fact traitors and as you know the word CABAL comes from that period, which are the names of those who conspired to dethrone and murder Charles I, his favourite being Buckingham who was the "B" in CABAL, hence Buckingham Palace named after a traitor. Then we have Downing who was a spy for the Amsterdam bankers and betrayed England to the Dutch fleet! I would say Downing Street is an apt name for the home of UK Prime Ministers and chancellors! They have all been betraying the British people!!!

My ancestor Colonel John Jones was a regicide. He lived in the house where I grew up where the attic was full of rusting swords, long bows and even a cat and nine tails left over from the Civil War era. He fought many battles and took the surrender of Royalist Wales with Brereton of Chester. He commanded the English army in Ireland. He married Katherine, Oliver Cromwell's sister. His papers were in my father's desk throughout our childhood but somehow they disappeared. He believed the Devil resided in the Vatican and wished to stop Catholicism from returning to England. No doubt armed and funded by the Jews, the Parliamentarians were deceived into believing they were fighting for democracy and they thought they were heading off the Catholics. They won the war for Parliament, but were superseded by the bankers (Jews) who closed Parliament, burned down the City in 1666, and set up the Bank Of England, later putting England into a Union with Scotland. The regicides were not acting to bring in the Jews (the Orange Order) intentionally. John Jones was arrested in London strolling unaware of the danger he was in when the system of royalty struck back. He was hung drawn and quartered.
